Bath Township Fire Department			Standard Operating Guideline	
Section Training	**Referral No.** TR-O2	**Subject:** EMS Student Function	**Date Issued** 11/02	**Date Revised** 1/08

Purpose:

- To provide guidelines for EMS student's functions and ensure that all applicable state laws are followed.

Scope:

- This standard operating guideline shall apply to all personnel.

Responsibilities:

- Personnel
  - All personnel shall maintain an awareness of the laws that apply to EMS students.
  - The EMS students will not be involved in direct patient care unless supervised.

- EMS Students
  - All EMS students shall maintain an awareness of the laws that apply to their functions.
  - EMS students will follow all guidelines related to their functioning on emergency runs.
  - The EMS student will not be involved in direct patient care unless supervised.

Guidelines:

- EMS students shall obtain a Basic Life Support (BLS) certification prior to responding on emergency runs. (See "Basic Life Support Training" guideline)
- EMS students will complete the assessment portion of their training prior to responding on emergency runs.
- EMS students will wear a badge that identifies them as an "EMS student".
- The supervising EMS provider will take responsibility of patient care and ensure that the EMS student functions within his/her training level
