Bath Township Fire Department			Standard Operating Guideline	
Section Training	**Referral No.** TR-O6	**Subject:** Emergency Vehicle Operator Training	**Date Issued** 11/02	**Date Revised** 2/08

Purpose:

- To provide guidelines for obtaining Emergency Vehicle Operator Course (EVOC) training.
- To provide guidelines for maintaining Emergency Vehicle Operator Course (EVOC) training.

Scope:

- This standard operating guideline shall apply to all personnel.

Responsibilities:

- Training Officer
  - Ensure that all personnel obtain Emergency Vehicle Operator Course (EVOC) training.
  - Ensure that all personnel maintain Emergency Vehicle Operator Course (EVOC) training through annual refresher training and regular driver training.

- Personnel
  - All personnel shall obtain EVOC training within the required time frame.
  - All personnel are required to maintain their EVOC training through annual refresher training and regular driver training.

Guidelines:

- All personnel shall obtain EVOC training, from an approved provider, within 12 months of employment
  - Personnel already holding EVOC certification or equivalent course will be exempt from completing the initial training.
- Any person who does not obtain EVOC training within the required time shall be inactive.
  - Inactive personnel are not permitted to respond to emergencies
- If no EVOC training is available to personnel within the required time frame, the Fire Chief may extend the required time frame.
- All personnel shall attend a minimum of 6 hours of EVOC training a year, totaling not less than 16 hours in a three-year period.
  - Personnel shall perform training on all apparatus that they may be required to operate.
