

FOR IMMEDIATE RELEASE

The Allen County Fire Chiefs' Association plans to dedicate the Fire/EMS building at the fairgrounds to the memory of Daryl Styer on Friday, August 20, 2021, at 12:00 P.M.

Daryl was an active member of the Allen County public safety community for fifty years, serving the majority of that time with the Perry Township Fire Department. He held many ranks and positions, including Fire Chief.

He especially enjoyed volunteering his time each year during the Allen County Fair, and therefore, the Allen County Fire Chiefs' Association, Perry Township Fire Department, and the Allen County Fair Board agreed that naming the building in his honor would be a fitting tribute for his many decades of service.

The ceremony is open to the public.
